Russ Bassett Corporation
8189 Byron Road
Whittier, CA 90606

Dear Matt:

The Permian Basin Regional Planning Commission purchased four consoles for our Public Safety Answering Points from Russ Bassett Corporation. Matt Gawin was very professional throughout the designs, planning and the final implementation of the consoles. Matt streamlined each dispatch center room dimensions and their individual needs accordingly. Each console was built with great care and excellent craftsmanship. The end result was efficiently designed ergonomic consoles to fit each dispatch center beautifully.

Each console built was on schedule since inception there were no issues whatsoever! The quality of the consoles is amazing and looks totally awesome! Most importantly, our PSAPs are extremely satisfied and pleased with the end product!

Excellent service! We truly appreciate your dedication to the installation of our beautiful consoles. I am happy to fully recommend the services of Russ Bassett Corporation.

Sincerely,

Gail Robinette
Director of 9-1-1
