

COLLIER COUNTY SHERIFF'S OFFICE
Communications Group
Memorandum

To: Whom it may concern

From: Cmdr. Bill Rule, Communications Group

Date: 20 February 2012

Subj: Russ Bassett

The Collier County Sheriff's Office chose Russ Bassett as our vendor for our new communications center. Russ Bassett (Nathan Drake) was an invaluable asset to us in the planning, delivery, set up and implementation of the new consoles. We have been utilizing the consoles for approximately 3 years and Russ Bassett has been very responsive to any inquiries or request for service. Our members have advised that the consoles are reliable, comfortable and free from continuing maintenance issues. If I can be of any further assistance please feel free to contact me.

Respectfully

William A. Rule
