

OPERATOR HEALTH & COMFORT  
Slatwall Work Tools

## A CLEAN AND HEALTHFUL WORKPLACE

Don't let food debris, coughs and sneezes stand in the way of the mission critical work at hand. Keep essential health and clean-up tools at the ready and within reach of working operators. Choose from an array of slatwall mounted tools to help you isolate and curb the spread of germs.

Here are the top four 24/7 mission critical must haves.

### Sanitations Station

The easy to clean steel bracket base holds one box of tissues and a 12 oz. pump container of hand sanitizer.

### Keyboard Taco

The steel keyboard holder holds one standard sized start-up or back-up keyboard.

### Disinfectant Wipes

Steel container holds one standard-sized disinfectant wipes container.

### Paper Towel Holder

With a full sized roll of paper towels at the ready, spills won't have a chance to reach critical equipment.
